1. The railroad bridge across the Oder at Alt-Ruednitz is reported to be still out of commission. The Wasserpölizei (Water Police) maintains a very active patrol service on the Oder, directed against smugglers.
2. A demolished 18-km. railroad stretch which ran from Wriezen across the Oder in the direction of Stargard (Starogrod) has not been rebuilt; this stretch was reportedly demolished by the Russians in 1945 or 1946 and its rails removed to Russia.
